

# Competition Insight Turkey 2015

The report overviews competition law developments in Turkey during the year 2015.

May 8, 2016

Within the past year, 2015, many developments were staged ranging from legislative works to sector reports, precedent setting decisions to approximately 25 new investigations. 2015 was full of firsts for the competition law world; an M&A transaction was prohibited for the first time in history and many new types of infringements were evaluated before the Turkish Competition Authority.

We are delighted to share the report we—the Competition and Regulation Department of Balcioğlu Selçuk Akman Keki Attorney Partnership—drafted, summarizing developments in the competition law world.

We hope you enjoy reading our report “*Competition Insight – Turkey 2015*” which captures a picture of competition updates in 2015, and find it useful for your business.
